Introduction

The ACP MEAs 3 Programme, coordinated by the United Nations Environment Programme (UNEP) and funded by the European Union in partnership with the Organization of Africa, the Caribbean and the Pacific States (OACPS), is a multi-partner, multi-country, multi-year programme supporting environmental governance in Africa, Caribbean and the Pacific (ACP) countries.

The Programme is launching the YETI – Youth Empowerment and Training Initiative, with an aim to engage with youth on mentoring, capacity building and providing them an opportunity to be the influencers of change!

What YETI does in the first year of launch?

During 2021, the focus of the programme will be to empower and train youth on issues of conservation and development and to capacitate them to provide inputs to the post 2020 global biodiversity framework (GBF) under the Convention on Biological Diversity (CBD).

What YETI aims to achieve?
