PARTNERSHIPS FOR THE GOALS

SDG 2: Promoting mainstreaming of biodiversity and of the sound management of chemicals and waste in agriculture in ACP countries in line with the related MEAs.

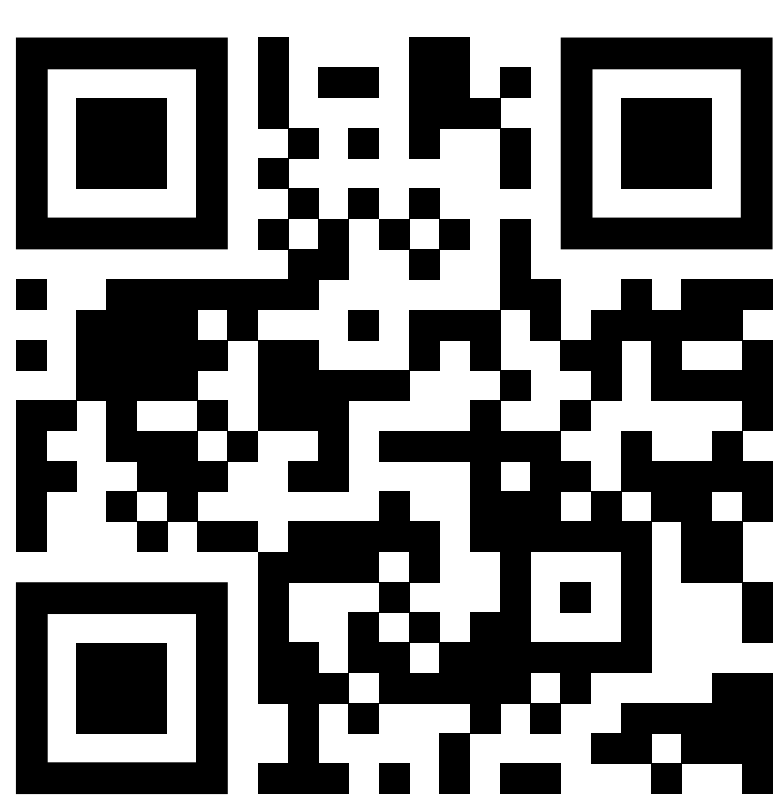

SDG 12: Promoting the mainstreaming of sound management of chemicals and waste by developing national legislative frameworks and integrated strategies.

SDG 14: Promoting life below water through the development of new Protocols under the Regional Seas Conventions and strengthening the effective management of Marine Protected Areas.

SDG 15: Preventing biodiversity loss by integrating biodiversity into national planning and strategic instruments, for example, supporting ACP countries in the revision of NBSAPs inline with the Kunming - Montreal Global Biodiversity Framework.

SDG 16: Promoting strong regional institutions for environmental governance.

SDG 17: Building capacity and promoting partnerships, for example through the promotion of South-South cooperation to achieve the SDGs.
